Wirral County News

1st Upton (St Mary's) Rainbows are 21!

We had a big party and invited Rainbows who are now Brownies and Guides and also leaders and commissioners that were around when the unit opened.

One of our lovely mums made a fantastic birthday cake, it was yummy and had all the rainbow logos on it.

Sue Dutton and Pat Turner welcomed the Mayor and Mayoress of Wirral who joined in our game of pass the parcel, helped sing Happy Birthday and had tea and cakes.

The Mayor told us stories of when he was a Boy Scout, and we are also going to visit him in the Mayor's Parlour soon.

Cath Naylor

THINKING DAY

2nd West Kirby Guides spent a weekend in London for World Thinking Day. The patrol leaders and patrol seconds spent Saturday at ICANDO for 'Think Action International', they learnt about fair trade, stereotypes, made friendship bracelets and a filter to make muddy water cleaner. Even though it was really cold, they managed some sightseeing to the London Eye, Buckingham palace, Trafalgar Square and had fun running around the National History Museum.
