

October 2012

Wirral County News

Hope you are back in the swing of things now after the holidays. Why not try some activities from the North West Region's Inventor's Challenge and promote science to your girls!

Hadlow Open Day

Saturday 3rd November

11am to 1pm

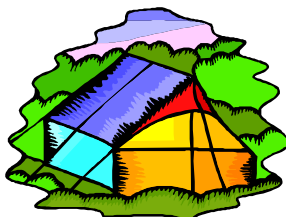

If you haven't been to Hadlow for ages or have never been, come along and see the facilities on offer!

and complete the Hadlow Survey:

<https://www.surveymonkey.com/s/JBXNZQF>

Hadlow Fields, Hadlow Road

Willaston CH64 2UN

Linda met Wallace and Grommit for the launch of the Girlguiding North West Inventor's Challenge

Birkenhead and Wallasey divisions were also in attendance and had a great time. Above are Wallasey Rainbows finding out about the planets. The girls also took part in the Inventor's Challenge and invented some new alien species. Book your unit into one of the Guiding evenings at Spaceport the first Wednesday of each month
