It's official - Hadlow HAS got talent!

Forget 'X Factor', forget 'Britain's Got Talent' because the hottest new show 'Hadlow's Got Talent' proved that this is where the talent can be found.

Girls (and adults) showed of a wide variety of talents and skills at Hadlow's Got Talent last night.

Bebington subcamp took to the stage and wowwed the audience with their fabulous charlston dancing. Ellesmere Port demonstrated a whole host of singing and acting skills with their rendition of the Wizard of Oz. Arwebrook subcamp had the audience singing with their medley of wartime songs. During their medley of Beatles songs, Deeside subcamp sang many Beatles favourites including 'Hey Jude' and 'Penny Lane'. The Queen made a special appearance during Wallasey's act and enjoyed watching them dancing and cartwheeling along to 'Greased Lightning'. Dancing along to 'Girls just wanna have fun' was the talented Birkenhead subcamp. West 1 donned their 1970's outfits to dance along to Abba's 'Dancing Queen'. West 2 subcamp also took to the stage to show off their dancing talents - this time to the classic 'Sway'.

Not to be outdone, the service team took to the stage with their rather unusual version of 'Hakuna Matata'. Brothers Chris and Pete, both from the security team, wowwed the audience with their fire poi and diablo tricks. The evening was rounded off by members of the CAST team with their song 'The 12 days of Guidefest'.

Well done everyone!

GO Sensible

Throughout the week each subcamp has had the opportunity to visit the big top in the Go Sensible zone to try out their circus skills.

Arrowebrook and Wallasey took up the challenge on Thursday, followed by West 1 and West 2 on Friday.

During the session the girls were shown how to do a wide range of circus based acts including juggling, using stilts, unicycling, plate spinning and using pois, diablos and stilts.

The girls tried out the skills before showcasing their new skills to each other. Olivia, 15, from West 1 showed her skills spinning 5 plates at the same time!

GO Native

Girls have been getting back to basics in the Go Native Zone this week.

Throughout the week girls from all subcamps (and leaders too) have been chipping away at the two large trunks that have been sat at the entrance of the GO Native zone. The poplar trees were taken from the side of our very own field and are being shaped into two totem poles, showing symbols of guiding in the past and today. Keep your eyes peeled for them appearing in Hadlow!

Whilst at the zone, girls can also enjoy creating fires to bake bread, cooking eggs and smoking meat. Those liking a bit of craft have been able to create Mexican god eyes, bracelets and try their hand at pyrography - creating wooden necklaces emblazoned with symbols and writing.

Thank you

A big thank you comes from Sue in the shop who says thanks to all who have supported the shop and visited her this week. A reminder that the shop is open every Wednesday night from 6-8pm and Saturday between 10am and 4pm for you to get all your Guiding goodies.

Nose wobbles

Brave Catherine from Ellesmere Port experienced a 'wobbly nose' amongst other injuries when she fell off her bike yesterday. Well done for being so brave!

Cycling achievement

Dave from K cycles has cycled a grand total of 90 miles this week! What an achievement!

Notice board

Keep up to date with all the goings on!

★ We've got mail.

We've received a lovely postcard from Guides from Hinderton Division who are at Centenary Camp in Leeds. They are having a great time!

★ Senior Section Chill-Out Zone

The chill out zone will be having a party tonight after the closing ceremony. It will run to the later time of 10.30pm. Come along for chocolate fun!

★ Extra Fusion Badges

Contact Sue in the shop or e mail ggwirralessentials@yahoo.co.uk to order yours.

★ Money found

If anyone lost money at Fusion please contact Tina Ives on Ellesmere Port Subcamp.

★ Visitors book

Subcamp leaders are reminded to sign the visitors book.
